

**Only You (Heart In Your Hands)****Turning Point Collective** (Henry Solano and Layla Solano)**Intro: (8 Bars)****Verse:**

If my heart leads me a stray  
 When it's clear You want for me to stay,  
 in Your arms

Please send Your love to rescue me  
 And let the mercies of Your brand new  
 day, fill my heart

**Pre Chorus:**

My refuge from the storm  
 You carry me back home

**Chorus:**

Only you will understand,  
 My heart lay helpless in Your hands  
 Only You can wipe away,  
 Every tear and every shame

No, Satan's lies won't work today  
 Your promises will guide my way  
 Only You, died to save my soul

**(Interlude - Instrumental)****Verse II:**

And when fear is all I know  
 The anxiety destroys my peace,  
 tearing me apart

I need Your love to rescue me  
 And let the mercies of Your brand new  
 day, fill my heart

**Pre Chorus:**

My refuge from the storm  
 You carry me back home

**Chorus:**

Only you will understand,  
 My heart lay helpless in Your hands  
 Only You can wipe away,  
 Every tear and every shame

No, Satan's lies won't work today  
 Your promises will guide my way  
 Only You, died to save my soul

**(Interlude - Instrumental)****Bridge:**

I long for comfort of Your promises  
 You long to heal my broken heart  
 Everything I turn to leaves me dead inside  
 and all alone

**Bridge II (2x):**

You're all I need  
 You're all I need

Only you will understand,  
 My heart lay helpless in Your hands  
 Only You can wipe away,  
 Every tear and every shame

 Only You, died to save my soul

**(Interlude - Instrumental)****Chorus (2x):**
